BRIDGING THE COLLEGE GAP

BRIDGE TO

OPPORTUNITY

Today, getting into college is only the first hurdle. For many Brookline students, paying for college presents an even more daunting challenge. The Brookline Community Foundation (BCF) Scholarship Fund for Brookline High School (BHS) helps deserving high school seniors who need additional support to cover the cost of a post-secondary education. Your gift can fill the gap that many of our students face, putting a college education in their reach.

Every gift increases the chances students will:

- **ENROLL** in college next year.
- **ATTEND** a school of their choosing.
- **COMPLETE** a post-secondary degree or training.
- **GRADUATE** without burdensome debt.
- **ATTAIN** economic independence and security.
- **GET** on track to rewarding careers.

\$42,419

The estimated total annual cost to attend a private, four-year college—more than many families earn in a year (The College Board, 2014).

HELP BUILD A BRIDGE TO COLLEGE

Every gift helps close the financial gap, to pursue a post-secondary education.

BRIDGE TO

POSSIBILITY

Town scholarships supply important financial support to BHS graduates, but their needs exceed what current funds can cover. With the BCF Scholarship Fund for BHS, we are dramatically expanding the total annual aid available for Brookline students. This endowed fund will increase the number and size of awards given each year and ensure support for generations to come.

The BCF Scholarship Fund for BHS supports...

WHO • Graduating students at Brookline High School.

WHAT • Scholarship awards to apply to the cost of attending a college or post-secondary training program of their choice.

HOW • The Brookline High School Scholarship Committee, comprised of the grades 10 and 12 Dean of Students and guidance staff, will select students and distribute funds to applicants based on need.
